SERVING AMATEUR HOCKEY IN THE LOWER MAINLAND SINCE 1941

## **SPECIAL U11A TIEBREAKER GAME**

Where the playoff format for a particular Flight requires a winner to be determined, the following game format shall apply:

- (a) A winner shall be decided in this game. As there is a possibility that the two teams could be tied at the end of regular play, the Coaches of each team shall designate five (5) players, in order, plus one (1) alternate player to participate in a Shoot-out. The jersey numbers of these five (5) players, in order, plus one (1) alternate shall be noted on a piece of paper submitted to the scorekeeper prior to the start of the game.
- (b) The game shall be played on the basis of a regular league game ice time, with period times determined according to PCAHA rule G(7).
- (c) At the end of the second period, if there is insufficient time remaining to play a full third period as listed after allowing for time for a possible Shoot-out, the third period shall be shortened to a specific number of stop-time minutes determined by deducting five (5) minutes for a possible Shoot-out from the time remaining in the ice slot and dividing the remainder in half. This shall be done regardless of the score at the end of the second period.
- (d) If the game is tied at the end of the third period, a Shoot-out shall be held to determine the winner as follows:
  - (i) If one of the designated five (5) shooters is injured, they shall be replaced by the alternate shooter prior to the start of the Shoot-out.
  - (ii) The goaltender in net at the conclusion of the game shall participate in the Shoot-out. No goaltender substitution is permitted except for injury.
  - (iii) Alternating penalty shots shall be taken, beginning with the first designated player of the visiting team.
  - (iv) The team scoring the most goals after the initial five (5) penalty shots in the Shoot-out shall be declared the winner. The game shall be recorded as a one goal victory for the winning team.
  - (v) If each team scores an equal number of goals in the first round of five (5) penalty shots each, then each team shall designate an additional five (5) players (including the alternate if they were not used as a substitute in the initial five (5) players). These players shall participate in a "sudden victory" Shoot-out with each team taking alternate shots until one team scores and the other fails to score. This procedure shall be repeated until a winner is decided. No player shall participate again in the Shoot-out until all players on the team (excluding the goaltenders) have participated.

## **NO TIMEOUTS**

Timeouts are not permitted in any game played under the Special U11A Tiebreaker Game rules.
